

**Camp Y.I. is a CLOSED TOE shoe environment. We don't allow sandals with open toes at main camp, or at any of our programming areas.**

With our terrain in mind, we suggest tennis or hiking shoes or boots that may get wet and dirty. For horseback riding we suggest a shoe with a slight heel, or riding boots. For lake activities we suggest water shoes or slip-on sneakers.

Sandals and flip-flops are allowed for shower use only. Slip & Fall hazard, we do not allow Crocs on camp.

Numbers mentioned are general guidelines, feel free to adjust for your personal situation.

\*\*Please keep in mind the environment when bringing your camp items. We encourage you to bring only biodegradable items, these items degrade without leaving any toxins behind in our world. Thank you!

We love to decorate our cabins and create a home from home for all of us. For cabin decoration you may bring: LED light strings, LED candles (please make sure your battery powered lights and decorations are LED) Small rug, sheer curtains, plastic flowers, banners.

We do not allow Campers to bring their cell phones to camp.

Do not bring any electronic devices to Camp. Camp is a rustic environment with open air wooden cabins and no available electrical points, unplug and enjoy nature, our programs, and have a great time with new and old friends!

Youth Incorporated supplies helmets for horseback riding and life jackets for lake activities however you might like to bring your own (must meet safety standards) to be used only by you. Please make sure your name is on everything.
